Linz, 24th November 2015

Dear Neha Kode

We are pleased to confirm your registration for participation in the

World Sustainable Energy Days (24 February – 26 February 2016)

in Wels/Austria.

We are very pleased to inform you that this paper was selected for oral presentation by the scientific committee!

This selection by the scientific committee means that the conference organiser will cover for you:

- the costs for accommodation (in our "Young Researchers" hotel booked by the organisers, partly in double rooms)
- the conference participation fee for the entire World Sustainable Energy Days conference (to which we invite you to participate in) and
- the meals and evening events at the conference venue

for up to 4 days/nights (arrival Monday, 22 February, departure Friday, 26 February 2016).

The costs for the trip to and from your home country to Wels/Austria need to be covered by yourself or by another funding source.

We remain at your disposal for any further questions you may have (office@esv.or.at, Tel. +43 732 7720 14386) and are very much looking forward to meeting you at the World Sustainable Energy Days in Austria!

All the best

OÖ ENERGIESPARVERBAND
